29 Aralık 2017

Konu: UNESCO-L'Oréal Ulusal Genç Bilim Kadınlarına
Destek Bursları 2018 İlanının Duyurulması hk.

Yalova Üniversitesi Rektörlüğüne

Malumları olduğu üzere, UNESCO'nun iki küresel önceliğinden biri olan Toplumsal Cinsiyet Eşitliği kavramının Doğa Bilimleri Sektörü kapsamındaki en güçlü örneklerinden birini UNESCO ve L'Oréal Vakfı arasındaki işbirliği oluşturmaktadır.

UNESCO-L'Oréal ortaklığında uluslararası "For Women In Science" programının bir uzantısı olan "Genç Bilim Kadınlarına Destek Bursları" ulusal programı, 2003 yılından itibaren Türkiye'de başarıyla yürütülmektedir. 2013 yılından itibaren ise Millî Komisyonumuz ve L'Oréal Türkiye işbirliğiyle ülkemizdeki bilim kadınlarının bilimsel çalışmalara teşvik edilmesi maksadıyla burs verilmekte olup, bu doğrultuda 2018 yılında da burs verilmesine karar verilmiştir.

Burs kapsamında **Yaşam Bilimleri** (Biyoloji, Biyokimya, Biyofizik, Biyoteknoloji, Farmakoloji ve Fizyoloji) ve **Malzeme Bilimleri** (Taneli Malzemeler, Polimerler, Camlar ve Seramikler, Kompozitler, Biyomalzemeler, Nano-malzemeler, Özel Tasarlanmış Yüzeyleyler, Fotonik Kristaller; Yoğun Madde Fiziği ve İstatistiksel Fizik) alanlarında araştırma yapmakta olan, burs başvurularına ilişkin ilan yılının 31 Aralık günü itibariyle 40 yaşından gün almamış olan **üçer genç kadın araştırmacı** bu program çerçevesinde **50.000 Türk Lirası** değerinde birer yıllık burs ile desteklenecektir.

Son başvuru tarihi **15 Şubat 2018** olan UNESCO-L'Oréal Ulusal Genç Bilim Kadınlarına Destek Bursları başvuruları bu yıl www.forwomeninscience.com adresinden online yapılacak olup, başvuru koşulları hakkında detaylı bilgi ilgili linkte (<https://www.forwomeninscience.com/en/fellowships/563719034>) sunulmaktadır. Burs hakkında bilgiye Millî Komisyonumuz web sitesinden de (<http://www.unesco.org.tr>) ulaşılması mümkündür.

Makamlarınca da uygun görülmesi hâlinde, doktora sonrası bilim kadınlarını desteklemek amacıyla yürütülmekte olan UNESCO L'Oréal Genç Bilim Kadınlarına Destek programının ekte sunulan ulusal burs duyurusunun Üniversitenizin web sitesi, Yaşam Bilimleri ve Malzeme Bilimleri alanlarında eğitim veren ilgili Fakülte, Enstitü ve Araştırma Merkezlerine duyurulması hususunda katkı ve yardımlarınızı saygılarımla arz ederim.

**FOR WOMEN IN SCIENCE NATIONAL FELLOWSHIP PROGRAM
L'ORÉAL TURKEY IN COLLABORATION WITH TURKISH NATIONAL COMMISSION
FOR UNESCO**

**RULES AND REGULATIONS
2018**

1. Introduction

L'ORÉAL UNESCO Fellowships For Women in Science are awards offered by a partnership between L'Oréal Turkey and the Turkish National Commission for UNESCO to promote, enhance and encourage the contribution of women pursuing their research careers in Turkey in the fields of the life and material sciences.

The National Fellowships Programme initiated in 2003 is continuing to promote women in scientific research on a global scale.

Six Fellowships will be awarded in 2018.

2. Fellowships

1. L'ORÉAL – UNESCO National Fellowship *For Women in Science* programme honors six young scientist each year. Three awards are given-in-Life Sciences and three awards are given in Material Sciences Category.

Each Fellow is granted 50.000 TL. Applications are open to scientists with a doctoral or a post-doctoral degree under 40 years of age at the closing date of application.

2. The recipients of the fellowships shall be publicly announced in an official ceremony (the venue and date thereof to be determined separately).

3. Submission of Applications for Fellowship

- 3.1. Applications can only be made through the online platform <http://www.forwomeninscience.com/en/fellowships> the candidates themselves starting from November 20, 2017 till 15th of February 2018 at the latest. Applications shall be written in English and it must contain the following parts in the following order:

- Filled application form;
 - A detailed Curriculum Vitae in Turkish;
 - Copies of the documents confirming education and scientific degree (will be in Turkish);
 - Description of the planed research project for a period of one year on 1 – 2 pages in Turkish;
 - Recommendation from the academic mentor or the scientific institution, where the project is being carried out;
 - List of scientific publications and patents;
 - Copies of maximum five publications or web links to their full text;
2. Incomplete files received after the deadline for application, as well as candidatures that do not meet the requirements mentioned above, will not be taken into consideration.

4. Procedure for the Review of Fellowship Applications

1. Each project will be assessed by independent jury (Turkish National Commission for UNESCO).

5. Selection Criteria

- 5.1. The selection criteria of the candidate by the Jury are following:
- The candidate's outstanding academic records (including number, quality and impact of the publications (impact factors to be submitted), conference presentations, patents...);
 - The scientific quality of the research project;
 - The innovative nature and productivity of the research and its potential application;
 - The ability of the candidate to communicate and promote sciences to a younger audience and to encourage young female scientists;
 - Relevance and importance of the research for the national and international society.
- 5.2. Fellowships are non-renewable.

6. Announcement of Fellowship Award

- 6.1. The decision of the Fellowship Jury with respect to the applications shall be communicated to the applicants via writing and phone call within a period of one week after the adoption of the decision. The list of the fellowship recipients shall be announced to the mass media.

7. Conditions for Award the Fellowship

- 7.1. The fellowship shall be awarded based on relevance, quality and expected impact of the recipient's scientific research, with the purpose to financially support the recipient in pursuing her career in the field of scientific research and/or development in concerned country. The fellowship recipient shall undertake to pursue this research for a period of one year in accordance with her submitted application, and, upon the expiry of this term, to submit a brief progress report to the founders and partners of the fellowship
- 7.2. The fellowship recipients shall undertake to specify the receipt of a fellowship in all publications that will be generated as a result of the above mentioned research.
- 7.3. The fellowship recipients must take part in the official awarding ceremony in İstanbul (with the venue and date thereof to be determined separately).
- 7.4. Fellowships shall be disbursed as 2 installment after the official awarding ceremony and after the recipient sign agreement with *L'OREAL TURKEY*.
- 7.5. Fellowship can be used only for referenced project.
- 7.6. The fellowship recipient hereby agrees to be photographed, filmed and interviewed in media within the scope of communication of the Fellowship Programme and hereby gives her consent to the free-of-charge use of these photos, recorded material and interviews in the communication pertaining to the above-mentioned programme in Turkey countries and abroad.
- 7.7. The fellowship recipient shall immediately inform the fellowship commission if she changes her place of work or research and / or gives up pursuing the scientific project within a period of one year after the fellowship has been awarded.
